

# 660L MOBILE SKIP BIN

## KEY FEATURES

Simple, Sturdy & Maneuverable.

- Easy handling & maneuverability by the user.
- Heavy duty swivel caster wheels, two with foot pedal brakes.
- Directional locks available to be fitted as an optional extra if steering is required.
- UV Stabilized plastic for zero colour fade protects the plastic from becoming brittle stopping premature shattering and cracking damage.
- Extremely long lasting and hard wearing.
- Zinc plated casters to prevent rust.
